

## LIFEBOOK S6410

### Get ready for your next business trip

Issue December 2007

Pages 4

The exclusive LIFEBOOK S6410 is your best friend on the move, leaving no compromises!

The sturdy notebook keeps the balance between low weight, best connectivity, high-end performance and modularity. With its integrated UMTS/HSUPA, ConfCamera and brilliant 13.3-inch wide display, you are going to experience true mobility – anywhere, anytime.

The combination of performance, modularity and flexibility gives you the functionality and ease of use of a full-sized PC. Intel® Centrino® Duo Mobile Technology with latest Intel® GM965 chipset technology delivers high performance and Business-day-long independency from the power socket.

This notebook is designed for highest quality with extensive testing and an extra-strong magnesium lid.

#### Elegance

Designed for the most demanding mobile users, LIFEBOOKs are the perfect synthesis of form, function and style.

- Light-weight modular 13.3-inch wide notebook with only 1.7 kg
- Exclusive protective leather bag
- Modular bay fitting an optical disk drive or battery
- Excellent resolution and video quality

#### Ergonomics

- 13.3-inch WXGA -display for maximum viewing comfort
- Convenient working with full sized keyboard
- Small in size but great expandability with maximum ports
- Eco Button to extend battery life by powering down energy consumption

#### Connectivity

- Bluetooth and Wireless LAN optional integrated
- Optional Port Replicator for easy connection to all your peripherals, compatible with LIFEBOOK E Series and LIFEBOOK C Series
- Long lasting battery for Business-day long independency with first and second battery

#### Security

- Trusted platform module (TPM 1.2) provides more secure applications and makes transitions safe
- Biometric fingerprint sensor
- Built-in SmartCard controller and optional SmartCase Logon+: software with best integration into your IT environment
- Lock workstation Button for fast sign off the system

#### Reliability

- Highest quality design with magnesium lid
- Hard disk drive ShockSensor minimizes data loss and guarantees a higher reliability of your data
- Spill-proof keyboard offers protection against system damage

#### Manageability

- Integrate the bundled system management software Desk View Admin in every common IT infrastructure
- Seamless integration in heterogeneous enterprise management systems
- Get optional add on packages: With DeskView Migrate and DeskView Control for e.g. migration projects and extensive client lifecycle management tasks
